

This year's route is a 5.4K loop walking against traffic on the left side of each street. This gives us the best visibility for our cause. If the route is too long we suggest that you turn left on Ruger from Randall and turn back to the church on Harmony or cut through the loop wherever you need to.

The police department has asked that we stay on the sidewalks for our own safety and the safety of others. Remember that this is not a race...it is meant to be a fundraiser for a great cause and a fun community activity.

Thanks you so much for participating in this year's CROP Hunger Walk. Please be sure to check back in when you finish.
