

This year's route is a loop which is a little over 5K. The arrows indicate the direction which best gives us visibility for our cause. If the route is too long we suggest that you turn left on Ruger from Randall and turn back to the church on Harmony.

We will try to let runners go first. If you want to do 10K, you can do the route twice.

The police department has asked that we stay on the sidewalks on the left side of the roads for our own safety and the safety of others. If it gets too crowded for you at the beginning, we suggest that you take one of the side streets to Ruger and then back over to Randall. Remember that this is not a race...it is meant to be a fundraiser for a great cause and a fun community activity.

Thanks you so much for participating in this year's CROP Hunger Walk. Please be sure to check back in when you finish.
