Hello CROP Hunger Walkers!!

*This year is our 54th year fighting hunger at home and across the globe.
Congratulations to you, who made this milestone possible!*

Hunger remains a challenge globally and here within our own Quad Cities. In Scott County, 8.2% (14,370 people) are food insecure. The figures for Rock Island County are 10.9% (15,750 people). Thank you for your efforts to feed those in need.

Last year, close to \$10,000 of money raised remained in the Quad Cities...what can you do to increase that amount?

Let's step up in a grand way to make a difference in the world with the biggest CROP Hunger Walk ever! Thank you.

Your CROP Committee

In 2024 we raised \$34,052.48 with 24 Teams.

In 2025, can we raise \$45,000 with 40 Teams??

We will be collecting Peanut Butter and Jelly again this year!! Please donate!
