

Reach for the Stars, Walk for Our Neighbors

First Church of Lombard

This year's **Great Prairie Trail CROP Hunger Walk** is dedicated to the memory of **Terry Witt**, a longtime participant and supporter, who passed away in March. Terry's passion for learning, service, faith, and community reminds us that even while we reach for the stars, we must never forget our neighbors. We are grateful for his years of support and the example he set for all of us.
